

## Size Chart

### STORMTECH SIZE CHARTS

Men's, Women's and Youth size charts are based on body measurements. Follow these four steps for the perfect fit:

1. **Chest/Bust** – Measure total circumference of your chest at the fullest part , just under armpit.
2. **Waist** – Measure total circumference at the narrowest point around waistline.
3. **Hip** – Measure total circumference at the widest part of your body below the waistline.
4. **Sleeve Length** – With your elbow slightly bent, measure from the base of the neck, across your shoulder, to elbow and finish at wrist bone.
